Friday - 3 April 1970

1. (Secret - GLC) Handcarried to Bill Woodruff, on the staff of the Senate Appropriations Committee, budget and manpower figures for the intelligence community prepared by the NIPE Staff in response to his specific request. I made clear to Woodruff that these figures were being provided him by the Director in his capacity as head of the intelligence community, not as the head of this Agency. Woodruff appreciated these figures and said they would be very close to his comparable figures. He also suggested that the Director have them available when he appears before our Committee in the future for Woodruff expects that questions about the Agency's share of the intelligence budget and manpower may well arise in future meetings.

2. (Secret - GLC) [REDACTED] and I dropped by to see Don Henderson, on the staff of the Senate Foreign Relations Committee, to see if we could get any further information on what prompted the

information on this other than the fact that Dick Moose, of the staff, was responsible for the subject matter. Henderson said he assumed, however, that this was somewhat of a spinoff from the Committee's

3. (Internal Use Only - LLM) Returned to Mrs. Dorothy Baker, Senate Subcommittee on Internal Security staff, the three volumes of testimony of [REDACTED] which they had loaned to us.

6. (Confidential - CEA) Provided to J. Sourwine, Chief Counsel, Senate Subcommittee on Internal Security, a copy of suggested amendments to section 783(b) of the Internal Security Act of 1950 which had previously been discussed with Sourwine by [REDACTED]. I told Sourwine that we preferred to leave the language as it had originally been proposed because the Justice Department had agreed to this language. 1. (Secret - JMM) [REDACTED] and I met with William Woodruff, Counsel, Senate Appropriations Committee, whom we briefed on recent developments regarding the Soviet ABM system, Soviet naval maneuvers in the Mediterranean and the Middle East military situation, including SA-3 deployment in Egypt.

Woodruff said Senator Russell was still in the hospital and his release was uncertain. Woodruff expects Senator Ellender to chair Appropriations Committee hearings during Russell's absence. Woodruff also remarked that Senator Mundt's return to active work on the Hill was unlikely.

Left with Woodruff the latest Reserve withdrawal letter on Laos.

2. (Secret - JMM) [REDACTED] and I called on Senator Milton Young whom we briefed on recent developments regarding the Soviet ABM, Soviet naval activities in the Mediterranean, the Middle East situation and Southeast Asia.

3. (Secret - JMM) I met with Ed Braswell, Chief of Staff, Senate Armed Services Committee, whom I briefed on the Soviet ABM situation, Soviet naval activity in the Mediterranean, the Middle East situation and Southeast Asia. Braswell indicated that the upcoming phase of the ABM debate would be at least as complicated, and the outcome as uncertain, as was the case last year.

4. (Unclassified - JMM) Called Representative Bob Wilson to say the Director would be happy to receive members of the "SOS" and "CM" clubs at breakfast at 0800 on Wednesday, 8 April. Mr. Wilson said the attendance would probably be about 16 or 20 and asked that I call Representative Barber Conable who is in charge of the arrangements to firm up details.
